Örsjö

Warranty

Our products are designed and manufactured to the highest standards and deliver high-quality performance, ease of use and ease of installation. In the unlikely event of a failure of the product, Örsjö will repair or replace the product according to the warranty terms In the country where the product is bought. This international warranty does not affect your legal rights as a customer or your rights towards the seller when buying the product.

WARRANTY

All standard products come with a two year warranty

WARRANTY TERMS

The warranty only covers products that are bought via one of Örsjös official resellers, and where an invoice or a receipt can be presented.

The invoice or receipt must show date of purchase, product specification and name of reseller in order to be valid as warranty documentation.

The warranty is valid from the day of purchase and lasts for two years.

Where a repair is not possible or not commercially viable, Örsjö may replace the product with a new or refurbished product of similar functionality. After a repair or replacement, the warranty period will continue from the date of the original purchase. Light source that is integrated in the lamp is a part of the lamp, and follows normal warranty terms. Light sources that are replaceable are to considered to be consumables and are excluded from the warranty

EXCLUDED FROM THE WARRANTY

The warranty does not cover indirect or consequential damages.

The warranty excludes, or does not apply if:

- The proof-of-purchase has been altered in any way or is made illegible.
- The model number, serial number or production date code on the product has been altered, removed or made illegible.
- The product was purchased as faulty stock.
- Any repairs, modifications or changes of the product without Örsjös approval.
- The defect is the result of excessive use outside the intended purpose.
- The defect is caused by abuse of the product or by environmental conditions that are not in conformance with the user manual of the product.
- The defect is caused by connecting peripherals, additional equipment or accessories other than those recommended in the user manual.
- The unit has been damaged, including but not limited to damage by animals, lightning, abnormal voltage, fire, natural disaster, transportation or water.
- The product does not function properly because it was not originally designed, manufactured or approved for use in the country where you use the product, which might occur when you imported the product.

Please note that any external costs for troubleshooting, repair or exchange of any item or product must be approved by us on beforehand. All costs not approved by us on beforehand will not be accepted.

- 0-5 days before delivery, 75% of net price will be charged.

TRANSPORT DAMAGES

In case of claim or transport damage contact us immediately. For damages which have occurred during transport, the following conditions apply:

A. Evident damages on goods and / or packaging must be documented with a written note on the freight bill, with the signature of the driver. Product damages must immediately be reported to Örsjö in writing. Transport damages must be reported according to this routine in order for a claim to be accepted.

B. Concealed damages which cannot be assumed to have been evident at goods reception, or damages not evident due to large goods volumes received, shall be reported to Örsjö in writing immediately after discovery, but not later than 6 days after receipt of the goods. If examination of a complete shipment is not possible, the packing bill shall be signed "Goods unchecked" with the signature of driver.

RETURNS

All damages according to A and B should be documented with photos in order to facilitate the handling of the claim.

Return of products will be charged a handling cost of 25% of the order value. The product must be fully in original condition, packed in the original box and returned to us on the buyers expense.

Return of custom made products will not be accepted.

DAMAGES AND DISPUTES

Örsjö is liable only for direct loss, and any compensation payable under the parties' agreement may never exceed 2.000 EURO. The parties' agreement shall be governed by the substantive laws of Sweden, explicitly excluding the United Nations Convention on the International Sales of Goods (CISG). Any claim, dispute or controversy between the parties shall be finally settled by Swedish courts. Kalmar district shall always be the court of first instance.

OTHERS

We reserve the right to change construction, dimensions and labelling without prior notice.
